Dreller Spanish Cultural Collection
Adds Special Touch to Library

Gerald Dreller had two professional passions in his life, USFSP and the rich culture that is so unique to Spain and its people. These two passions merged when Alletta Dreller presented USFSP’s Poynter Memorial Library with her late husband’s beloved collection. The Dreller Spanish Cultural Collection will enrich the lives of the students he served so well during his years as an academic advisor and will be a lasting memorial to one of USFSP’s most respected colleagues.
