Discussion:

- A motion was made and seconded to vote on changing the Council meeting day to the third (3rd) Friday of the month at 9:30 am. The motion was approved by unanimous vote. An amendment to the by-laws will be drafted and presented at the July meeting for adoption.
- The Council requested to have a Union representative speak to the Council regarding pay, pay raises, and restrictions currently in place limiting an employee's chance toward upward mobility. Michael will staff this and report back to the Council in June.
- The Council will submit a request to HR addressing the disparity in pay for similar positions within the USF System.
- Michael spoke with Jim Stull, President of A&P Council, regarding the need for a staff lounge. Both agreed that it was needed and could be used not only as a staff lounge, but also as a designated meeting room for both Councils, build collegiality and facilitate networking among staff and faculty. More to report in the June meeting.

Adjournment: Meeting was adjourned at 11:20 am.
