Year 1 of 2 year goal has seen approximately 2/3 of goal accomplished (Current total of partners at 95, goal to move from 70 to 105). (06/30/2019)</p> <p><b>Analysis of Findings:</b> Addition of new partners currently on hold pending final migration of PeteSync to Engage/GivePulse platform. Outreach to both USF-Tampa (sister campus with some partners in common and potential for other overlapping organizations) and Eckerd College (extensive network in Pinellas County which possesses a larger partner universe at present) underway to help bolster efforts. Two year goal on pace to be met and exceeded.</p>	<p><b>Use of Findings:</b> Once Engage/GivePulse is able to accept new partners, efforts will resume to identify areas of opportunity (types of partners lacking in current directory) and to survey faculty/staff for existing partnerships not reflected in USFSP/CCE directory. (06/30/2019)</p>
	<p><b>Ongoing Activity</b> - Enhance quality of relationship--outcome will be measured by number of partners training is delivered to along with number of partners actively engaging in GivePulse.</p> <p><b>* Criterion for Success:</b> CCE will engage with 50% of community partners to delivery GivePulse training with 10% actively using platform to advertise to students.</p> <p><b>* Person(s) Responsible:</b> CCE Program Coordinator</p>	<p><b>Reporting Period:</b> 2018 - 2019</p> <p><b>Conclusion:</b> Inconclusive</p> <p>Engage/GivePulse platform not yet configured to receive migrated directory; outreach not able to take place until complete (same outcome for partner engagement with platform) (06/30/2019)</p> <p><b>Analysis of Findings:</b> Outreach scheduled to accompany invitation to Fall Civic Engagement Fairs. Training guides from GivePulse will be provided, in-person follow-ups to both further training and encourage engagement slated for needed as soon as system is up and running.</p>	<p><b>Use of Findings:</b> Training outreach will be delivered along with invitation to Fall Civic Engagement Fairs with in-person follow-ups provided July-September to verify receipt of training and encourage engagement with platform. (06/30/2019)</p> <p><b>Analysis of Findings:</b> A total of 78 students completed the pre-institute survey and 80 students completed the post-institute survey. Benchmarks and goals able to be established for 2019-20 year (overall number of student participation, improvement in retention % by cohort, etc.). 100% of students surveyed responded affirmatively in that they would recommend participation in institute to other YMCA/YIG students.</p>	<p>in state budget for 2019-20 year. Areas identified where ongoing engagement throughout program year can be enhanced and goals will be to both improve total number of students completing program and increase retention rate for 2019-20 Cohort compared to 2018-19. <p><b>Carnegie Community Engagement Classification</b> - Complete Carnegie application and successfully obtain re-classification.</p> <p><b>Outcome/Objective Status:</b> Active</p> <p><b>Planned Assessment Year:</b> 2018 - 2019, 2019 - 2020</p>	<p><b>One-Time Activity</b> - Outcome will be measured by completion and submission of application.</p> <p><b>* Criterion for Success:</b> Successful completion of Carnegie application</p> <p><b>* Person(s) Responsible:</b> CCE Director and Program Coordinator</p>	<p><b>Reporting Period:</b> 2018 - 2019</p> <p><b>Conclusion:</b> Meets Expectations</p> <p>Carnegie application submitted April 15, 2019 (06/30/2019)</p> <p><b>Analysis of Findings:</b> CCE-led Carnegie Steering Committee and Task Force compiled information from throughout campus and drafted 96-page application (attached). Document will help serve as basis for long-term planning for CCE to help USFSP maintain areas of strength and improve areas of opportunity. Notification of decision will take place in December 2019.</p> <p><b>Related Documents:</b></p> <p><a href="#">USFSP 2020 Carnegie Application FINAL.pdf</a></p>	<p><b>Use of Findings:</b> Carnegie application highlighted a number of areas where USFSP outperforms what would be expected of a university of our size &amp; resources. Likewise, other areas were discovered that can be improved upon. Regardless of application/classification outcome, CCE can use conclusions from document to provide foundation for long-term planning.
