**FROM: Judy Genshaft  
President, University of South Florida System**

Last week I met with many of you, and each representative group, to continue the development of the amazing institution that is USF St. Petersburg.

With that goal foremost in mind, I'm delighted to appoint Dr. Margaret Sullivan as Regional Chancellor. Her term will last until the summer of 2013, with a national search beginning in the fall of 2012.

Dr. Sullivan has a clear vision for the institution. As we know, she lead and worked hard with her team to complete full accreditation for USF St. Petersburg. Dr. Sullivan has managed the institution during trying financial times. She has worked with campus and community leaders, and is re-examining the strategic plan. She has been an important colleague in the USF System.

For those of you who met with me, thank you for your time and I appreciate the openness with which you gave me your aspirations and vision for the extraordinary institution that is USF St. Petersburg. We will continue our conversations about the future, and about the evolving USF System - where USF St. Petersburg has clearly created the path for excellence.

Thank you and Happy Holidays!
