The Arts Shine Here! Crowdfunding

You can help promote St. Petersburg as an arts and cultural destination! Our arts & cultural institutions and organizations will be featured on new streetlamp banners proclaiming that the “Arts Shine Here!”

With your support, residents and visitors will take pride in seeing new festive arts banners “flying” around town. Non-profit arts institutions will be featured on banners including their photo and logo. We need your help to crowd fund this project that collectively supports all our arts. Every donated dollar will be matched thanks to a challenge grant from the St. Petersburg Women’s Chamber of Commerce.

It will be a moonlight Opening Night as galleries, artist studios, and some museums open for the St. Petersburg Second Saturday ArtWalk on July 14 from 5 to 9 p.m. The Waterfront Arts District, Central Arts District, the Edge District, Grand Central District, and the Warehouse Arts District become one arts destination for ArtWalk. The studios and galleries provide an informal, engaging social evening to drop in and meet our community's artists. Many will have demonstrations and refreshments. Some are only open on ArtWalk!
