Collaborate and Share using Google Drive

Google Drive lets you store files, access them from anywhere, and collaborate with others. With Google Drive, you can upload files from email or your desktop, or create Google docs, sheets, and slides. Learn how to create, share, and collaborate on Google docs, track edit history, set permission levels and see who's in the document with you.

Lunch & Learn with Distance Learning Professional Development and The Tavern at Bayboro. The Tavern will be offering a \$5.00 lunch special that includes a half of sandwich, chips, and a drink. Simply stop by the Tavern to pick up your lunch and then join us in POY 234 for the training session. Tell 'em you are there for the Lunch & Learn brown bag special to receive the discounted price.
