USF St. Petersburg
USPS Council – General Meeting
April 18, 2007

Present: Vicki Colbert, Harriett Fletcher, Lori Anderson, Tanya Radabaugh, Jeremy Thompson, Michael Williams

Call to Order: Michael Williams called the meeting to order at 10:05am.

Meet and Greet: Jeremy Thompson, mail clerk, from the mail room.

Discussion:

- USFSP received an update from Representative Bill Heller concerning the latest information on property tax and insurance.
- Notice of phishing scams regarding USF Federal Credit Union have been circulating around campus, the scam is from an outside source not associated with the Credit Union. Please do not respond to these emails.
- A Child care work group has been established in order to assess campus needs in the area of quality, affordable childcare for children of staff and faculty. A survey of your concerns might be the best way to collect needed data in order to assess the feasibility of supporting the building of a center on campus or a partnership with an existing childcare facility such as All Childrens or Bayfront.
- A motion was made and seconded on sending out an email inquiry to move the time and/or date of USPS meetings. Because of conflicting office demands and training seminars, a suggestion was made to change the day from the third Wednesday of each month to Friday.
- A brief discussion regarding the change of title from USPS Council to Staff Council in order to reflect changes on recent implementation of classification redesign has been tabled till next meeting.
- A feasibility question was raised as to whether or not USFSP would like to have a 'Quiet Quality Monthly Award'. Please respond by email to Mike Williams. For those wishing to nominate an employee for the current 'Quiet Quality' award, remember that anyone can nominate a person in any department as long as the nomination is substantiated in writing.
- The Council is reviewing the Annual Awards program and plans to submit recommendations for improvement to Human Resources by June 15th.

Adjournment: The meeting was adjourned at 11:10a.m.
