ADA Accessibility

Considering accessibility for students with disabilities and universal design for learning creates a course that is more usable to all students. It can also prevent headaches during the accommodations process by building in these elements beforehand. Come learn how easy it is to create a more usable course.

Lunch & Learn with Distance Learning Professional Development and The Tavern at Bayboro. The Tavern will be offering a \$5.00 lunch special that includes a half of sandwich, chips, and a drink. Simply stop by the Tavern to pick up your lunch and then join us in POY 234 for the ADA Accessibility session. Tell 'em you are there for the Lunch & Learn brown bag special to receive the \$5.00 price.
