Chancellor's Advisory Council on Issues of Diversity and Inclusive Community
April 22, 2011

Members Present: Vivian Fueyo, Latarri Canty, Sharon Segrest, Jamie McHale, Marketa Teal, Patricia Pettijohn, Lyman Dukes, Anita Sahgal

Guests: Michel Fougères (webmaster), Courtney Parish (SG President-elect)

Old Business

1. Council Website
 - a. Marketa and Michel Fougères will work on it over the summer and solicit feedback from council
 - b. Michel suggested that the council determine who they want their audience to be so that we can tailor the site to those constituents.
 - c. Jamie suggested a community engagement focus for the website
 - d. Council suggested we create an events page that would display current events across campus and link to other campus websites such as the Multicultural Center.
2. MLK Day Parade
 - a. Vivian requested feedback from members on how the parade went. Those that attended felt the planning went well other than the weather.
 - b. Latarri suggested the SG barbeque, which had to be moved to the following week, was a good idea but not well advertised
 - c. The council agreed we should start our planning of next year's event much earlier in the fall. Vivian suggested having designees for certain things early on such as obtaining vehicles and candy.

New Business

1. Vivian reported Michael Williams is stepping down as co-chair of the council so that another staff council member can be represented. Vivian announced that she too will step down in the spring and that another chair will be appointed
2. Vivian asked current council members to email her regarding their intentions of staying on the committee for 2011-2012 by May 1st.
3. Courtney reported SG is working on creating a master web calendar for student events. It was suggested she also link the calendar to department events. She also stated she will promote the use of the banners we had made this year to be used at campus and community events.
4. Council again discussed the idea of opening up certain times of the week where the campus could be encouraged to attend diversity related events (ie., Wednesdays at 12 or 3-5)
5. It was suggested we speak with Jenny Gum to see if we can encourage students on tour of the campus to attend classes or events so they see what's happening at USFSP
