SUBSIDIZATION POLICY

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education, and the responsible use of leisure time is the goal toward which extra-curricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Since only FULL-FEES PAYING STUDENTS contribute a portion of their tuition to Student Activities, only they may purchase tickets at SUBSIDIZED RATES. Each FULL-FEES PAYER will be allowed to receive up to \$12.00 subsidy per Quarter upon PRESENTATION OF PROOF OF FULL-FEES PAYMENT AND STUDENT I.D. at the time of purchase. Students must be full-fees paying for the Quarter they receive subsidy.

Once a student has used up his subsidy, he will have to pay regular ticket prices, as do part-time student, faculty, and staff. All USF persons are eligible to buy tickets at our PURCHASE PRICE, which is often considerably less than the regular retail price. For example:

COUNTRY DINNER PLAYHOUSE (on a given date)	REG. COST	USF PRICE	SUBSIDY PRICE
	\$8.90	\$5.00	as low as \$1.00 by using \$4.00 subsidy

(Figures are for one ticket, including dinner and show)

Generally, the student must pay at least \$1.00 per subsidized ticket. MOVIE TICKETS MAY NOT BE PURCHASED BY SUBSIDIZATION.

American Civil Liberties Union ACLU STUDENT CHAPTER

by Chuck Silvers, Representative

The U.S.F.-S.P. student chapter of the A. C. L. U. held its first meeting of the 1973-74 academic year on Wednesday, Oct. 10. This was primarily an organizational meeting as the chapter is still in its formative stages and many former members have graduated. Several new members attended.

Various topics were discussed by those present. Members agreed that the first order of business is to publicize the existence of the organization to students. A week-long membership drive was planned for the first week in November. It was also suggested that in conjunction with this membership drive a speaker be brought to the campus. Another subject of discussion was the appearance of Corliss Lamont, a noted civil libertarian, in the area during the month of November. Mr. Lamont will be invited to speak at the St. Pete. Campus. The purposes and on-going functions of the student chapter were also mentioned. Another meeting was set Wednesday, Oct. 17th at 3pm. in the B-building, north lounge, at the St. Pete Campus. All students interested in joining or receiving information on the organization are invited to attend.
