These courses could be available sometime during Spring '08.

A TV with cable installation has already been approved and a coffee pot with supplies has been setup. A suggestion was made to post flyers and advertise the lounge's new availability.
  - Length of Service Awards Cmte reported by Dr. Stephen Ritch – A proposed resolution passed 14 to 0 in the A&P Council for adding personalization, such as: name, length of service, and campus location onto the length of service award in order to add personal value and meaning to the individual receiving the award. A motion was made and carried 9-0 that STAFF Council will join

A&P Council on submitting the proposed resolution with the addendum of including a formal public presentation of the award.

**6. Open Discussion:**

- Again the lack of pay raise for STAFF salaried personnel was mentioned in that the St. Pete campus is the lowest paid out of all the other campuses.
- Again the effectiveness or non-effectiveness of the Union regarding pay raises was questioned. Would joining the Union increase the Union's effort to fight for the long overdue pay raise? If so, what would it involve to have a Union representative based on this campus?
- A suggestion was made to invite Dr. Karen White to speak to STAFF Council about how we can help Dr White to assist STAFF to get a pay raise.
- A question was raised as to why the University of South Florida did not allow employees to be put their State bonus into deferment, such as an IRA, even though State employees were allowed to defer their bonus.

**7. Adjournment:** Meeting was adjourned at 11:10am.
