VSA Florida (Very Special Arts) is accepting applications for its annual program to recognize the talent of Florida’s young musicians and vocalists. VSA Florida works to create a world where the arts are accessible to everyone.

Finalists selected by a panel of judges are given a chance to perform at a professional venue. These finalists, as well as all other applicants, will represent Florida by having their musical entries sent to Washington, DC to compete in the VSA International Young Soloist Program.

Accepting Applications: Now through December 15

What to Send: Completed application, audition recordings and short biographical narrative

Eligibility: Ages 14-25 with a disability

Fees: None
