## Google Drive & Hangouts

Share, collaborate, and present online with Google Drive & Hangouts. Google Drive will let you store files, access them from anywhere, and collaborate with others. Google Hangouts, an instant messaging and video platform, will allow you to hold conversations between two or more users (up to 10), perfect for group work or virtual office hours.

Join us for this hands-on interactive session where you will learn to collaborate using Google Drive and Hangouts.
