Mrs. Ripper gave a factual report of the activities of the Child Welfare Unit, from April 1949 to October 1949. She said that 191 children were known to the agency during this period, 122 of them being new. Ninety-six of the children were from 50 families. $15,480.50 had actually been spent during this time, $8,010.54 being paid by the Board. Three children were reported as being in care from the beginning of the work of this agency, June, 1948, and ten children from the period of the first six months. Miss Byers gave specific cases of children in care. The Board felt that these reports were most interesting and the results very gratifying.
