USF Space Needs Outlined

A serious shortage of academic facilities in the categories of classrooms, teaching laboratories, faculty offices, auditoriums and student service facilities exists at USF.

In a letter to Chancellor Robert Mautz outlining USF's Fixed Capital Outlay needs for the next several years, President Cecil Mackey stated: "The University generates an urgent need for 625,621 net assignable square footage (NASF) and that all currently funded projects will provide only 190,000 NASF.

"To meet the significant facility requirements of the University of South Florida," Dr. Mackey wrote, "I am proposing for your consideration the following projects:"

--Construction of a New Classroom-Faculty Office Building-to serve the Business Administration-Social Science Programs. This facility would contain approximately 66,000 NASF for office space, classroom space and teaching labs. Dr. Mackey has requested \$200,000 in planning funds for 1973-74 and "I would expect to request construction funds in 1974-75."

--Construction of a New Science-Classroom-Office Building to serve the academic disciplines of the College of Natural Science. Dr. Mackey is proposing that USF be authorized to begin planning for this facility which should contain 64,000 NASF. He has requested \$50,000 in planning funds for 1973-74.

--Completion of the Interior of the New Library Building-Dr. Mackey has requested an allocation of \$208,000 in construction funds to allow the University to complete the interior work of the two additional floors approved for construction of the new Library Building.

--Renovation of the Current Library Building-Although this project has been partially funded in the amount of \$220,000, Dr. Mackey has recommended that only \$28,500 of this amount be used for planning funds for the project during 1973-74.

--Renovation of the Fourth Floor of the Science Center-Although Chancellor Mautz previously allocated \$185,000 for the project, Dr. Mackey has proposed that \$12,500 in planning funds be used for the project during 1973-74.

--Repair of Roofs on Academic Buildings-The President has requested an allocation of \$49,000 in construction funds for 1973-74.

--Repair of the Third Floor of the Science Center-An allocation of \$20,000 in construction funds has been requested to make necessary repairs in the building.

In addition, Dr. Mackey made the following requests:

--\$45,000 to replace a 600-ton air conditioning unit in USF's central Utilities Plant for 1973-74;

--\$60,000 for renovation of the Administration Building in 1975-76.

A complete copy of Dr. Mackey's letter to the Chancellor is available in the Special Collections Section of the USF Library. ■

Who cares?

You might think that with over 2,300 current employees at the University of South Florida we wouldn't care that you aren't among the supporters of the 1973 USF United Fund Drive.

But we do!

We wonder why you have felt your help isn't needed. And I guess the fault lies with us. Somewhere along the line we haven't emphasized enough just how important your gift can be. No matter what the size.

Take, for example, \$1. If you, and every other staff or faculty member would pledge a single dollar, the result would be overwhelming. Over 20 important United Fund projects that directly benefit those in need would progress at the rate of \$2,300! A small fortune by any standard.

So, you see, it's not always the size of your gift that matters. It's your decision to do something now that counts. Your positive action, combined with a similar action by other staff and faculty will make dollars available to help deaf and blind children live more meaningful lives, provide the aged with proper shelter and thousands with emergency relief services.

A dime for each of 10 pay periods.

Please care that much!

Fill out your pledge card today and return it to the United Fund Captain in your area. Thank you!

--Joe Tomaino, USF-TUF
Campaign Chairman

Sen. Graham To Lecture

State Sen. D. Robert Graham will be the second featured speaker for the Fall Government Lecture Series on Wednesday, Oct. 24 from 2-3 p.m. in the University Theatre.

Graham, elected to the Florida Senate in 1970, was re-elected in 1972. Prior to his election to the Senate, he served four years in the Florida House of Representatives.

USF, the USF political science department and the state comptroller's non-profit corporation in American government are jointly sponsoring the series. A reception will follow the speech.

The following Wednesday, State Supreme Court Justice James C. Atkins will be the featured speaker. ■

Dr. James Vickrey, Director of University Relations, will be the guest on "Access," WUSF-FM's (89.7) listener call-in program, Wed., Oct. 24, 6:30 p.m. To ask a question, call 974-2215.

••• official...official...official ••• ANNOUNCEMENTS

*Because of a delay in receiving updated Fee Audit Reports which verify a student's payment of registration fees, all student I.S.'s have not been validated. Therefore, please continue to honor a validated "Certification of a Registration Fee Payment" card through Friday, Oct. 19, 1973. This extended period will allow those students who have not had their photo I.D.'s validated to do so.

*Veterans Day will be observed by the U.S. Postal Service Monday, Oct. 22, 1973. There will be only one postal delivery and pickup by the Campus Postal Service. (Mail received by the Campus Post Office will not be picked up by the U.S. Postal Service until the following day.) All priority mail of the University must be ready no later than noon Friday, Oct. 19, or it will not leave the USF campus until 6:00 a.m. Tuesday, Oct. 23, 1973. The Administration Building and Personnel Office will have the normal campus pickup and delivery schedule on Oct. 22. All other areas will have only one pickup and delivery the afternoon of Oct. 22, 1973.

ANNOUNCEMENTS

*The Netherlands Institute for Advanced Study in the Humanities and Social Sciences in considering candidates for fellowships for the 1974/75 academic year or later years. To be eligible, candidates should be graduates and should at least have contributed to the development of their field of research through publications. Further information about these fellowships may be obtained from the Director of Graduate Studies, ADM 229.

*Guidelines for Release-Time Awards are now available in the Research Council Office, LAN 107. Deadline date for 1974-75 proposal submissions is Friday, January 18, 1974 at 5:00 p.m. Guidelines may be picked up in LAN 107, or will be mailed out upon request, ext. 2897).

*The Graduate Studies Office announces that information is available on the 1974-75 Program for United States - France Exchange of Scientists. This program is sponsored jointly by The National Science Foundation of the United States and the National Center for Scientific Research of France. Eligible individuals from the U.S. must have earned a doctoral degree or its equivalent, normally within the last five years. Exchange awards are made for study or work in the mathematical, physical, chemical, engineering, biological and social sciences, including economics. The deadline for submitting applications is Nov. 1, 1973. The announcement of awards will be made by March 1974. Interested persons may contact the Graduate Studies Office, ADM 229 for further information.

*Graduate Scholarships for study in Africa: The Graduate Studies Office announces that applications are available for Graduate Scholarships for study in Africa. Ten grants are offered under the Fulbright-Hays Program and three are offered by the International Telephone and Telegraph Corporation. Applicants must hold a bachelor's degree, must be U.S. citizens, where applicable have language proficiency sufficient to carry out the proposed project, and must be in good health. The deadline for applying is Nov. 15, 1973. Further information is available from the Graduate Studies Office, ADM 229.

*The Mother's Club will have their first meeting on Monday, Oct. 22, at 2:30 p.m. in the Fellowship Chapel. On hand to welcome all members will be Mrs. Hattie Rollins, President, Mrs. Freda Shaw, Vice-President, Mrs. Violet Butterfield, Secretary-Treasurer, and Mrs. Evie Twigg, President of the USF Women's Club.

*Ask the Expert, a series of seminars in the functions of various University departments, will again be presented by Personnel Services in cooperation with other divisions. Division functions, administrative philosophy, operating procedures, forms in use, and departmental contact persons will be features discussed in detail by departmental representatives. The first presentation will be the Division of Personnel Services, on Wednesday, November 7 from 9:00 - 11:00 a.m. in CTR 252. So, bring your problems and "ask the expert!" Call Personnel Training, ext. 2438 for reservations. Watch the Intercom for the announcement of other seminars in the Ask the Expert series during coming weeks.

*The Florida Gulf Coast Symphony, under the direction of the internationally famous director, Irwin Hoffman, begins its 1973-74 concert season Nov. 1st in Tampa. All Tampa concerts are on Thursday evenings in McKay Auditorium. The cost for the 10 concerts range from \$25-\$40. For further information, brochures, and order forms, please contact Bonnie Lightfoot, Symphony Guild member, in EDU 308M, or phone 974-2100, ext. 235.

*In order to provide assistance to employees who may encounter problems with Blue Cross and Blue Shield in conjunction with the State Sponsored Health Insurance Plan, a "Claim Information Request" form has been developed by the administrators of the Employee Insurance Program. This form is completed and forwarded to the State Employee Insurance Program in Tallahassee. They will determine the current status and problems surrounding an employee's claim. Employees wishing to submit a "Claim Information Request" form should contact Personnel Service, FAO-011.
