Virtual Classroom - Collaborate & Hangouts

Create a Virtual Classroom. Collaborate enables the delivery of live, online learning, training, coaching, mentoring and meeting. Learn to use this powerful tool to enhance your online or face-to-face course. Google Hangouts, an instant messaging and video platform, will allow users to hold conversations between two or more users (up to 10), perfect for group work or for office hours. Learn how to create a Virtual Classroom using Collaborate or Hangouts.
