Introduction to the Collection

With its location along Bayboro Harbor, USF St. Petersburg offers many recreational and research opportunities to those with an interest in sailing. The University's sailing team, headquartered on campus, uses the facilities of the Watercraft Office, Division of Student Affairs. These materials, collected by Dr. William "Steve" Lang during his tenure as advisor, illustrate the sailing competitions and activities of the sail team from the early 1990s through 2001. Future accessions will build upon the materials in these records. The burgee was donated by J. M. "Sudsy" Tschiderer to complement the archival records.
