USF To Host Model United Nations

The sixth annual Model United Nations (MUN) will be held Feb. 14 - 17 at USF.

Sponsored by World Affairs Council, a foreign and American student organization at USF, MUN is a recreation of the procedures and actions in the actual United Nations.

More than 200 high school and college students are expected to participate in the event and will represent about 65 of the 135 countries actually in the U.N. Participants are expected to reflect the attitudes and behavior of the countries they represent in all sessions of the General Assembly, Security Council and committees.

Guest speakers for the conference will be Dr. Colum Murphy, a U.N. staff member, and Dr. John G. Stoessinger, an expert on international relations.

All sessions will be in the University Center, Rooms 248, 255-256, 252 and 251.

The sessions are open to the public and are designed as a learning experience.

For information on the scheduled sessions, contact the World Affairs Council, 974-2300.

Police Increase Patrols

Campus Security has increased police patrols in heavy pedestrian areas leading from parking lots to especially alleviate concerns of USF women who arrive for work in the pre-dawn darkness and fog.

"While we (Campus Police) have received only one report of a 'suspicious person,' we are aware some of those arriving early for work are concerned," according to Security Director Paul Uravich.

The request for increased police patrols came from Phyllis Hamm, special assistant for women and minorities. She said she has had some reports that "women coming to work before 8 a.m. had seen 'suspicious-looking' men in the various areas around the Administration Building." "

Conference Events Sold Out

The Victorian Counter-Culture Conference which will be held at USF Feb. 27-Mar. 2 is completely sold out. Nearly 150 persons from the U.S., Canada and Hong Kong have registered to attend. Most programs will still be open to the public (including USF faculty, staff and students) at no charge on a space available basis.

Forensics Tournament Set

Both high school and college debaters from Florida and across the nation will gather at USF over the Gasparilla weekend to participate in one of two speech tournaments, the Gasparilla Forensics Tournament or the Florida Forensics District IV Tournament. The USF speech department is hosting both events.

More than 250 college students are expected at the Gasparilla tourney Feb. 8-11 to compete in impromptu speaking, oral interpretation, persuasive speaking and debate on the national debate topic, "Resolved: that the federal government should control the supply and utilization of energy in the United States."

All events are open to the public. Interested persons may stop by the registration desk in the lobby of the Language-Literature Building during the tournament for complete schedules of times and places. Gerald Partney, assistant professor of speech, is director of the tournament.

Winners of the district contest will join those from Florida's other five districts to participate in the annual statewide competition Mar. 8-9 at USF.

New Program Announced

A program recently initiated by the Office of New Student Relations offers prospective students a first-hand look at life at USF during a "regular" quarter.

Called Preview, the program is held on Monday from the second to the ninth week of each quarter. Included is a walking tour of the campus, attending a USF class in session and meeting with an academic adviser.

Advance registration is required and further information is available from the Office of New Student Relations.

New Continuing Ed. Ideas Sought

USF offices with printed materials of possible interest for adults considering further education are being asked to contact New Student Relations, a subdivision of the Division of University Studies.

"We are seeking USF materials for an Adult Opportunity Center in the downtown Tampa Public Library," according to Lisa Supporters of the project.

Deadline for material for next issue: 5 p.m. today

</table>

**STATE HEALTH INSURANCE**

<table>
<thead>
<tr>
<th>Option</th>
<th>Supplemental Coverage over age 65</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td>3.32</td>
</tr>
<tr>
<td>II</td>
<td>2.78</td>
</tr>
</tbody>
</table>

Note: This table does not make allowances for reimbursements for spouse or additional cost for faculty member on nine month appointments.

*Effective March 1, 1974 both the husband and wife who are eligible to receive a multiple state contribution toward the cost of their family plan, under the State Health Insurance Program, will receive these payments under a new procedure which will eliminate the need to reimburse the wife each month by separate warrant. Therefore, February, 1974 will be the last month the dependent spouse will be eligible for reimbursement of the $9.96 state contribution under the old procedure.*

**If your area of office is receiving too few or too many INTERCOMS, please contact Jack Boyd, Campus Postmaster, ext. 2606 with the information.**

**The Peer Management Project has programs for dealing with large numbers of students who have problems in the areas of study, weight and smoking. Since most students who need assistance in these areas are unaware of the programs, you can help by announcing their availability. Further info is available from the Counseling Center for Human Development, RGC, ext. 2767.**

**New Travel Request Forms (C-676)** are now available in Office Stores. Effective immediately only this new form will be accepted by the Division of Procurement. All old forms are to be destroyed.

*An income tax assistance program is available for staff and students whose 1973 income did not exceed $10,000. Appointments for this service, which will be available through Quarter II in FAO 122, may be made by calling ext. 2438.*
