USF-HCC FORM 'CLOSER' TIES

USF President Cecil Mackey and Hillsborough Community College President Morton Shanberg announced jointly last week a "Statement of Philosophy and Intent" to create a closer and complementary relationship between the two institutions.

At a press conference held at the administrative offices of HCC on Oct. 9, the presidents said they have agreed "to undertake the study and development of new cooperative programs to maximize the potential of each institution to meet the needs of an increasingly urban society." They indicated that when established, these programs will permit any student enrolled in one of the schools "to take full advantage of the educational opportunities offered by the other without penalty or undue administrative problems." ■

They also announced that as the first step toward rapid development of such cooperative programs, a joint committee is being formed to recommend policies and procedures for achieving simplified dual registration of students, complementary course offerings, elimination of duplication or overlap of courses, cooperative advising, shared physical facilities and resources, and for identifying other areas of possible cooperation by the two institutions.

The joint committee will include members representing each institution's registrars, financial officers, academic officers, student affairs officials, teaching faculty, academic advisers and students.

The two presidents stressed that the program is in no way intended to exclude the participation of other institutions of higher education or the public schools. Preliminary discussions regarding a similar agreement with St. Petersburg Junior College are already underway.

President Mackey appointed the following to the HCC/USF Committee: Les Tuttle, (coordinator for the USF representatives) Assistant Dean, St. Pete Campus; David Jordan, Director of Admissions; Frank Sistrunk, Professor of Psychology; Ellen Kimmel, Director of University Studies; Chuck Hewitt, Assistant to the Vice President for Student Affairs; Bob Wallace, Comptroller; John Cook, student. Frank Spain, Director of Community College Relations and Max Dertke, Assistant Director of University Studies, will serve as special advisors to the group. ■

United Fund Underway

Despite the fact that the USF United Fund campaign has just barely gotten underway, Chairman David Jordan reports that \$2,215.50 had been pledged or donated by faculty and staff on the first USF reporting date--last Wednesday.

Only seven of the 12 USF campaign captains' divisions were able to report on contributions by the first reporting date.

Joe Busta's Student Affairs division led the first seven to report with a total of 42 percent of quota. Bill Deyo's College of Business Administration was second with 26 percent, and Juanita Williams' College of Social and Behavioral Sciences placed third with 19 percent.

"With this great start, after only a few days to get our campaign organized, I am confident that USF will go over the top of our \$17,500 quota," Jordan said. "I am sure that our next reporting period will show a marked acceleration in contributions.

Jordan asked the USF campaign captains and co-captains to stress to potential givers that they need not contribute equally to the 36 charitable agencies which are members of Tampa United Fund. Donors, he said, may choose those of the agencies to which they would prefer to donate by designating their choices on the reverse side of their pledge cards.

The 1972 USF United Fund campaign closes Nov. 10th. ■

☆HOTLINE with President Mackey
today at 11:30 a.m. in the Library Mall
(stand-by: CTR 158).

☆ACCESS tonight: Mayor Greco's
topic will be "Town and Gown;" WUSF-FM,
89.7, 6:30.

UNIVERSITY CALENDAR

WEDNESDAY, OCTOBER 18

Hotline: Library Mall (stand-by: CTR 158), 11:30 a.m.

Literature Hour: "The Rocking-Horse Winner," LAN 103, 2 p.m.

Access: Mayor Greco, "Town and Gown," WUSF-FM, 89.7, 6:30 p.m.

Film Classics: "Bed and Board," LAN 103, 7 & 9:30 p.m.

USF Graphics Collection: "New Acquisitions," Library Gallery, thru Oct. 22.

USF Graphicstudio: "Cold Light" by James Rosenquist, Theatre Gallery, thru Nov. 5.

Mackey Meets Career Service

President Mackey met informally with approximately 300 Career Service employees last Wednesday at a reception in the University Center Ballroom.

Urging those attending to "promote and encourage a feeling of belonging to the institution," the President said "all signs point to a good year" for USF.

The pay classification geographical differentials and the State contribution to hospitalization insurance were cited by Dr. Mackey as "encouraging signs" that fringe benefits for University employees would improve.

□■□The Career Service Senate, operating under the charter which was approved by President Mackey and a majority vote of Career Service employees, met immediately following the President's reception on Oct. 11. The meeting was presided over by Jim Grubb, who assumed duties as presiding officer after the resignation of Ken Stanton. Grubb presented a plaque to Stanton on behalf of all Career Service employees in appreciation of his service to the Senate. The Senate heard a report from the elections committee that election of new senators will take place in November, with new senators taking office in December. All Career Service employees are urged to watch for further details in INTERCOM.■

T.V.-Ch.16

WUSF Info Radio-89.7

The videotape of a Channel 13 "College Kaleidoscope," featuring the Off-Campus Term (OCT) program, will be replayed by WUSF-TV, Channel 16, on Monday, Oct. 23 at 9:30 p.m. The program ran on Channel 13 in June. OCT Director Keith Lupton urges faculty and students to watch the show. Lupton also asks that faculty announce the broadcast date and time to their classes so that students who are interested can see how OCT could fit their education plans.■

INTERCOM is published weekly by the staff and student assistants of the Office of Information Services, ADM 190.

This public document was promulgated at an annual cost of \$7,757.61 or 5¢ a copy to provide information to the community of the University of South Florida.
