Cager Season Ticket Goal: 1,000 Sold by Home Opener

Season ticket sales for USF basketball topped the 525 mark, and Brahman Coach Bill Gibson Thursday night urged his community-wide sales team to push to reach its goal of 1,000 season tickets before the home opener against Jacksonville on Dec. 14.

Gibson honored Golden Brahman supporters who already have nearly doubled the sale of season tickets last year.

"We're pleased with what has been accomplished so far, but I won't really be satisfied until we reach the 1,000-ticket goal before our first home game," Gibson told his sales campaign leaders at a dinner at the Holiday Inn across from the campus.

**ST. PETE CAMPUS:** Mack Barber.

Successful Efforts Commended In Minority Student Recruitment

The enrollment of more than 1,000 black students at USF this quarter exceeds the goal of 900 set last spring, according to Equal Opportunity Coordinator Jim Vickrey.

"This is the second year in a row the University has achieved its enrollment goal for black students," Vickrey said, "and I want to commend Max Derke and the University Studies staff, particularly George Robinson, for the special efforts they have undertaken to encourage black and other minority persons to study at USF. Because of their affirmative actions, they have made real the commitments contained in the USF Equal Opportunity Program.

Total minority student enrollment exceeds 1,700 or 8% of the student body. The percentage of black students is 5%.

The Department of Administration has designated Tuesday, Dec. 24 as a special additional holiday.

Steiniike Appointed to State Council

Dr. George Steiniike, associate professor of economics, has been appointed to the Florida Department of Commerce (FDC) Input-Output Technical Advisory Council, Secretary of Commerce Don Spicer announced.

Steiniike will serve with 15 representatives of the other eight state universities on the council, appointed to provide assistance and advice in the development of the model which will be a tool for analyzing and predicting direct and indirect relationships among various sectors of the State economy.
Happy Thanksgiving!

**Hartley: Funding Not Keeping Pace**

Albert C. Hartley, vice president for finance and planning, told a Faculty Senate members last week that legislative appropriations for the State University System over the past six years has not kept pace with inflation.

In 1968-69, he said, per-student State support was $1,675; and last year it was $10 less in terms of 1968-69 dollar value. Per-student support dropped the sharpest between 1972-73 ($2,060) and 1973-74 ($1,922).

Over the past six years, Hartley said real faculty income for the SUS has suffered a 6.36 percent decline, from an average faculty salary of $13,379 in 1969-70 to an estimated $12,530 this year. The $12,530 figure is in terms of the value 1969-70 dollar today.

In his presentation, Hartley covered State, SUS and USF budget operations and procedures.

**Mackey Luncheon Chat on Dec. 3**

President Mackey will lunch and chat with interested faculty and staff at noon, Tues., Dec. 3 in the Argos Staff Cafeteria. The Dec. 2 Board of Regents meeting will be the topic of conversation. The luncheon is dutch and no reservations are required.
