Commencement to Also Honor Libby, Rauschenberg, Juergensen and Vetter

Over 4,600 Eligible for June 13 Graduation

Over 4,600 students will be eligible to receive degrees during USF's 1976 commencement exercises on June 13 at 3 p.m. at Curtis Hixon Convention Center.

The featured speaker will be Florida Supreme Court Justice Joseph Hatchett.

Some 3,500 students are eligible for bachelor's degrees, 1,021 for master's degrees, 50 for education specialist and 32 for Ph.D.'s.

A capacity crowd of over 7,000 graduates, their families, USF faculty and staff and the general public are expected to attend.

Two honorary degrees will be conferred at commencement. Dr. Willard Libby, Nobel prize-winning chemist who discovered the radiocarbon dating method, will be presented an honorary Doctor of Science degree. Libby has been a consultant and served as professor and chairman of the department of humanities, who has been at USF since 1961. His major fields of specialization include comparative literature, art, poetry and the Renaissance.

Dr. Harold J. Vetter, professor and director of graduate studies in the criminal justice program, will receive the Distinguished Scholar Award. Prior to joining the USF faculty in 1974, Dr. Vetter served as professor and chairman of the department of psychology at Loyola University.

Dr. Hans Juergensen, professor of humanities, who has been at USF since 1961. His major fields of specialization include comparative literature, art, poetry and the Renaissance.

The Distinguished Teacher Award will be presented to Dr. Hans Juergensen, professor of humanities, who has been at USF since 1961. His major fields of specialization include comparative literature, art, poetry and the Renaissance.

A graduate of Florida A&M University, Hatchett, 43, received his LL.B. from Howard University in 1959. He was admitted to the Florida Bar in that year and remained in private practice until 1966 when he was appointed Assistant U.S. Attorney for the Middle District of Florida.

In 1967, he was designated a First Assistant U.S. Attorney and in January 1971, he was appointed Magistrate for the Middle District of Florida -- a position he held until his elevation to the Supreme Court.

During his distinguished judicial career, Hatchett has been honored by numerous awards and appointments. The Chief Justice of the United States selected him in April 1974 to be a member of the five person team which traveled to England and conducted a study of court pretrial procedures there.
