University of South Florida.
New Film Library Phone Number

The USF Film Library has a new phone number (ext. 2874) and a new address (SVC 071). Because of the limited supply of film catalogs, faculty are asked to use copies which were sent to each department. Those who find this inconvenient may stop by the Film Library and obtain a catalog. The main catalog does not contain restricted (not for rent) film or new titles which were added since the publication was printed. An on-campus supplement will be available for distribution in six to eight weeks.
