Faculty/Staff Scholarship campaign to mark 20th anniversary

The scholarships, funded by USF faculty, staff and administrators, provide financial assistance toward tuition, books and laboratory fees. For many USF students and personnel, the scholarships are a vital means for financial assistance toward tuition or student learning. Angelou enjoys a lifetime position as the first Reynolds Professor of Contemporary Literature, Angelou was nominated for the Pulitzer Prize in 1972. In 1973, Angelou was the first recipient of the MacArthur Foundation's "Genius Award." She was named a Carnegie Medalist for her work, "I Know Why the Caged Bird Sings."
Program committee needs volunteer

An A & P employee volunteer is needed to serve on the Faculty/Staff Program Committee. Please call Carla Callahan at ext. 4-2607 for more information.

Purchasing hours expand

Effective Feb. 1, the Division of Purchasing has revised its service hours to be open from 12 noon to 5 p.m., to better serve the University community. The new service hours for the Purchasing Department in the Service Center are from 8 a.m. to 5 p.m. Regional campus operations will continue to close during the lunch hour.

Public Health Award seeks nominees

USF College of Public Health (CPH) is soliciting nominations for the Fifth Annual Florida Outstanding Woman in Public Health Award. The honor was initiated by CPH in April 1988 to honor women in Florida who have made significant contributions to the field of public health.

First winner was Dr. Flora Mae Wellings, retired director of the State Epidemiology Research Center. She served there for 17 years and was instrumental in the development of vital statistics for the state.

Nominations may represent the various sectors of public health, such as maternal/child health; health policy, management, finance or economic health research; education, training or research; public health nutrition; public health nursing; international health; and toxicology/epidemiology.

The deadline for receipt of applications is Feb. 26. For details on submitting nomination paper, call ext. 4-6603 or 521-6602.

The award will be presented at a seminar sponsored by CPH on Tuesday, March 30, from 1-2 p.m. in the Grace Allen Reading Room, fourth floor of the Library. USF's Women's Awareness Month.

Walk, America

The 1993 March of Dimes WalkAmerica is scheduled for Saturday, March 20, at the University of Tampa. The seven-mile walk will begin at 8 a.m. in Plant Park. Last year, a staff, faculty, students, family, and friends- led by USF President Berksowitz-participated in the walk.

The WalkAmerica Committee asked for everyone's help in supporting WalkAmerica, says Dr. John Underberg, in memory of his lifelong dedication to the University community.

Women's Club to feature forests

"Ballroom Adventures in the Rainforests of Cameroon" will introduce the Women's Club on Feb. 15 at 10 a.m. in the Grace Allen Reading Room, fourth floor of the Library.

Prostate cancer study begins

H. Lee Moffitt Cancer Center and Research Institute at USF is seeking prostate cancer patients in order to identify different subtypes of prostate cancer.

The project is supported by an American Cancer Society grant. The data collected will be used to build a database which may help identify patients who are at high risk for aggressive cancer.

To determine eligibility for this study, call Jane Hiestra at 979-3073.

USF's Poynter Library receives military history collection

The Nelson Poynter Memorial Library at USF has received a significant collection of books on World War II and all aspects of military history.

About 500 books were donated by St. Petersburg attorney A. Alan Widener, a World War II veteran and friend William Neely. The books include many European publications unique to the collection. All of the books will be kept in the library.

To receive a complete list of the books, call William Neely at 724-0465 or ext. 4-2221.
