Construction Updated

The following is a portion of an update on construction at USF prepared by Facilities Planning:

- Medical Center Phase I - Some construction items not yet completed. Final inspection and acceptance date has not been scheduled.
- Medical Center Site Work Phase I - Parking lot and driveway construction is complete. Estimated completion date for irrigation and grassing is July 31.
- Medical Center Phase II - Overall construction progress appears to have improved. However, due to many problems, the project continues to be well behind the original schedule.
- Fourth Floor Science Center - Contract signed and notice to proceed with construction issued May 29. Estimated construction completion date is Jan. 1976.
- Irrigation System for New Library and Parking Lot - Irrigation and sodding around building is complete. Work around parking lot cannot be started prior to parking lot construction completion.
- Lot South of New Library - Construction started April 15. Estimated completion date is July 15.
- Elm Drive Pedestrian Mall - Design and construction is on hold until traffic engineering study is complete.
- Old Library Renovations - Working drawings are now in progress. Construction should start in September. Estimated construction completion date is Feb. 1976.
- Administration Building Space Utilization - Review of building is being made to accommodate anticipated personnel moves.
- New Business Administration Building - Preliminary drawings have been approved and working drawings have started. This project appears to be on schedule for receiving bids in Oct. 1975.

Education Personnel Meet

School superintendents, other key personnel from the 12-county area and representatives of the Department of Education are holding a seminar here today sponsored by the Center for Educational Policies Study and the Center for Economic Education. A major aspect of the program is the presentation of status reports by county representatives describing progress in developing a consumer education program. The seminar is taking place between 9:30 a.m. and 3 p.m. in the Andros Center.

16 Elected to A & P Committee

The following persons have been elected to serve on the Administrative and Professional Committee. Their term of office becomes effective Quarter I.
