THE CITY AND MAN  
USF SSI-415-691

St. Petersburg Campus

The course deals with the social, technical, economic, ecological, and artistic aspects of contemporary cities. It explores housing, transportation, recreation, and urban amenities; it studies urban poverty, health care delivery, and crime; it investigates new relationships of cities to nature; and it reviews possible designs for future cities.

As the nation moves from a war economy to a peacetime economy, cities will be rebuilt and new cities built from scratch. To you this may mean a variety of management and administrative jobs and positions in design and engineering departments. This course may enlarge your understanding of the urban scene and help you to decide on a career.

## UNIVERSITY OF SOUTH FLORIDA, ST. PETERSBURG CAMPUS

### Emergency Medical Services

If you are a full time student at St. Petersburg Campus (carrying  
seven or more credit hours) and become ill or are injured while on  
campus, certain medical services can be provided through the school  
without cost to you.

1. If you should become ill while at school and want to go home  
but have no transportation, this can be provided for you. The recep-  
tionist in the Administration Building lobby will be able to help you.

2. In an emergency you can be taken by taxicab or ambulance to  
either Mound Park Hospital or the Suncoast Medical Clinic for treat-  
ment. The University will pay for transportation and up to \$15.00 of  
the bill for emergency services. PLEASE NOTE: Off-campus medical  
care is your own financial responsibility unless authorized prior to  
treatment by the Bay Campus Administrator. The receptionist will  
know how to obtain emergency authorization.

3. As emergency treatment occasionally costs more than \$15.00,  
it is wise to buy the coverage under the Student Group Health  
Insurance Plan. This insurance, pays up to \$2,000.00 for hospitaliz-  
ation and doctor's bills, and all ordinary charges for treatment in a  
hospital emergency room.

4. If you are hospitalized the University will pay, upon appli-  
cation to the Student Health Service on the Main Campus, up to \$75.00  
of your hospital bill and \$25.00 of your Doctor bill, if these bills  
are not covered by any insurance.

5. If you have the Student Group Health Insurance and wish to  
file a claim, the St. Petersburg Campus Business Office has the  
necessary forms and information to help you.

6. All of the clinic and infirmary services of the Student  
Health Service on the Tampa Campus are open to you if you should  
wish to use them.

## FOOD-MOOD

GRANNY'S TURTLES

Now is the time to display your culinary expertise. Crow's Nest features a recipe and food tidbits column and we need to include all the tasty vittles that we can. Please submit your favorite recipes and homemade concoctions to the Crow's Nest today.

Recipe from: Evelyn (Granny) Mohler  
with the help of Pillsbury

### SNAPPY TURTLE COOKIES

- Sift together:  $1\frac{1}{2}$  cups sifted Pillsbury's Best Enriched Flour,  
 $\frac{1}{4}$  teaspoon soda,  $\frac{1}{4}$  teaspoon salt.
- Cream:  $\frac{1}{2}$  cup butter; add gradually  $\frac{1}{2}$  cup firmly packed brown  
sugar, creaming well.
- Add: 1 egg and 1 egg yolk; beat well. (reserve white)
- Blend in:  $\frac{1}{4}$  teaspoon vanilla,  $1/8$  teaspoon maple flavoring, if  
desired.
- Add: dry ingredients gradually; mix thoroughly. (Dough will  
be soft. Chill, if desired)
- Arrange: pecan halves in groups of three or five on greased  
baking sheets to resemble head and legs of a turtle.
- Mold: dough into balls; dip bottom into unbeaten egg white  
and press lightly onto nuts. Use a rounded teaspoonful  
of dough for each, so tips of nuts will show when cookie  
is baked.
- Bake: in 350 degree oven 10 to 12 minutes. Do not overbake.  
Cool and frost tops generously.

### Chocolate Frosting: (for turtles)

Combine 2 squares (2 oz.) Baker's Unsweetened Chocolate,  $\frac{1}{4}$  cup milk  
and 1 tablespoon butter in top of double boiler. Heat over boiling  
water until chocolate melts; blend until smooth. Remove from heat;  
add 1 cup sifted confectioner's sugar. Beat until smooth and glossy.  
If too thin, add additional confectioners' sugar until of desired  
consistency.

Makes: 24 dozen cookies

GRANNY'S TURTLES

Recipe from: Evelyn (Granny) Mohler  
with the help of Pillsbury

#### SNAPPY TURTLE COOKIES

- Sift together: 1 1/2 cups sifted Pillsbury's Best Enriched Flour, 1/4 teaspoon soda, 1/4 teaspoon salt.
- Cream: 1/2 cup butter; add gradually 1/2 cup firmly packed brown sugar, creaming well.
- Add: 1 egg and 1 egg yolk; beat well. (reserve white)
- Blend in: 1/4 teaspoon vanilla, 1/8 teaspoon maple flavoring, if desired.
- Add: dry ingredients gradually; mix thoroughly. (Dough will be soft. Chill, if desired.)
- Arrange: pecan halves in groups of three or five on greased baking sheets to resemble head and legs of a turtle.
- Mold: dough into balls; dip bottom into unbeaten egg white and press lightly onto nuts. Use a rounded teaspoonful of dough for each, so tips of nuts will show when cookie is baked.
- Bake: in 350 degree oven 10 to 12 minutes. Do not overbake. Cool and frost tops generously.

Chocolate Frosting: (for turtles)

Combine 2 squares (2 oz.) Baker's Unsweetened Chocolate, 1/4 cup milk and 1 tablespoon butter in top of double boiler. Heat over boiling water until chocolate melts; blend until smooth. Remove from heat; add 1 cup sifted confectioners' sugar. Beat until smooth and glossy. If too thin, add additional confectioners' sugar until of desired consistency.

Makes: 2 1/2 dozen cookies
