(St. Petersburg, Fla.) February 1, 2010 – High school students and their families can learn everything they need to know about attending USF St. Petersburg during the university's annual Spring College Day on Saturday, Feb. 6 from 9 a.m. to noon. The event takes place in the Student Life Center, located at the corner of 2nd Street South and 6th Avenue South.

Students and their parents are invited to talk with counselors and representatives from:

Guests can take a student-led tour to explore the residence hall and waterfront campus.

Students can also learn about the new Pre-Medical and Pre-Health Sciences track, an option which gives students the flexibility to pursue a broad-based liberal arts education, while integrating the advanced-level science coursework required by graduate and professional programs in the health sciences.

Complimentary parking is available in the Fifth Avenue South Parking Garage, 250 5th Ave S.
