Day 66 | 99 Days of Art in St Pete – Chill out with Cool Art this Summer!
This one is very cool! A jazz trio like no other at the Palladium featuring Nate Najar, heir apparent to the great Charlie Byrd, is one of the few contemporary musicians playing jazz on the classical guitar. Joining him is masterful interpreter of Brazilian samba and bossa nova music, Grammy-nominated vocalist Stacey Kent. Completing the trio is saxophonist Jim Tomlinson, who has been called the Stan Getz to Stacey Kent’s Astrud Gilberto. Show starts at 7 p.m. Info: http://www.mypalladium.org/nate-najar-stacey-kent-jim-tomlinson/
