Original Dance Show To Be Presented

A seasonal dance delight is one of two original works to be presented in the USF Fall Dance Concert Nov. 17-21 in the Theatre at 8 p.m.

"The Wizard's Christmas," involves a kindly wizard, a toy shop, a troop of intrepid children, a host of dancers and a magical scarf, all in a story-within-a-story format. What happens when the children construct their own play things, when the finished toys run amuck, and when the wizard finally produces the spirit of Christmas makes for enchanting choreographic episodes.

The production also offers such special effects as animated scenery, a living Jack-in-the-Box, and a malevolent Erector Set.

William Hug, chairperson of the dance department, created "The Wizard's Christmas," and directs the production. Additionally, a quintet of student dance majors have choreographed portions of the story, under Hug's supervision.

General admission to the Fall Dance Concert is $3; student admission (other than USF) is $1.50. Tickets are on sale at the University Theatre Box Office (ext. 2323, 9 a.m.-4:45 p.m., weekdays).

Monthly Meetings To Stress USF, Community Dialogue

The role of the University of South Florida in Greater Tampa is the theme of a new series of monthly luncheon meetings which get under way Nov. 24 at noon in the Downtown Holiday Inn.

Tampa banker Gordon Campbell will be featured speaker at the opening program. He will be joined by USF President Reece Smith and Dennis Noto, newly-elected president of the University's Hillsborough Alumni Chapter.

The series, "USF-Community Dialogue," is sponsored by the Hillsborough Chapter and the USF Alumni Association.

"The idea," according to Noto, "is to provide a monthly forum on issues and activities involving the University and the community. Area alumni are being asked to bring friends and business associates interested in becoming better acquainted with the University. We also hope USF faculty and staff will attend and benefit from the exchange of views by speakers and community guests," he added.

Campbell is president and chief executive officer of the Exchange Bancorporation and Exchange Bank of Tampa. He holds degrees from the University of Iowa and Bradley University and is heavily involved in a broad range of educational, civic and business organizations. Before coming to Tampa in 1974, Campbell was executive vice president of American National Bank & Trust Co. of Chicago.

President Smith To Host Reception

The Annual Career Service Reception, hosted by President Reece Smith, will be held Nov. 15 in the University Center.

Day employees are scheduled from 10 a.m.-noon in the U.C. Ballroom and night employees may attend from 10-11 p.m., also in the U.C.
