GRANTS AVAILABLE FOR CULTURAL EXCHANGE BETWEEN THE U.S. AND ASIA

Deadline: November 2

The Asian Cultural Council is inviting proposals from individuals “exhibiting an abiding passion” and interest in cultural exchange between the United States and the countries of Asia, as well as among the countries in Asia.

Each year, ACC funds about a hundred established masters and rising stars in archeology, architecture, art history, arts administration, arts criticism, choreography, composition, conceptual art, conservation, crafts, dance, design, filmmaking, installation art, literature, museology, music, new media, painting, photography, printmaking, sculpture, theater, video art, video conservation and work that defies categorization.

U.S. citizens, permanent residents and nonprofit organizations are eligible to apply for a grant supporting research, study and creative work.
