STUDENT AFFAIRS COMMITTEE MEETING

April 21, 1972

Those present at the 10:00 A.M. meeting were as follows:
 Members: Winston Bridges, Charles Payne, Ronald Baird, Robert Burke,
 Gene McClung, Lou Kubler, Tom Ford, Judy Wilhite
 Ex officio: Wayne Hoffman, Eugene Roberts
 Visitors: Joan Tschiderer, Bill Mahile, Tom Kane

The minutes of the April 7 meeting were approved.

Committee Reports:

Beer Committee - Select a place for "beer consumption"--not sale. Draft letter. The policy on consumption is a University policy, not a State policy. B-Building pool area was suggested as an area for consumption.

Budget Committee - Lou Kubler reported that the total expected revenue is \$59,500. Priorities are: pool, clubs, day care center, subsidization (Bayfront, movies, etc.)

Old Business:

Recommendations for additional student membership on the Student Affairs Committee are:

- Tom McBride
- Cindy Carlberg
- Vince Martin
- Barney Maynard (Graduate student)
- Bob Mason

Recommendation: Postpone vote at next meeting allowing Winston Bridges to find a Block student who is available Friday mornings.

A motion was made by Gene McClung that we insist that Tampa adhere to the executive committee decision concerning funding to St. Pete Campus. Tom Ford seconded the motion. The motion was defeated. Discussion followed:

1. What should we do concerning present funding allocation?
2. What should be the recommended policy for budgeting in the future?

New Business:

Approval of revised Flying Club constitution postponed to next week. Next meeting, Friday, April 28, 1972.

A motion was made by Charles Payne: (In response to letter from Mike Rose regarding St. Petersburg Campus Activities Budget)

Resolved: That the 1971-1972 Student Activities Budget be based on the Executive Committee decision of May 26, 1971. Our budget was planned on this decision and \$76,450 would have been generated. Our commitments based on this formula were responsible and any deficiencies in total student funding should be covered from reserve funds. We request support of executive committee decision and strongly advocate the formulation of an equitable distribution of student funds based on the respective campuses so that our commitments based on our earnings can be carried out. Kubler seconded this motion. A resolution will be sent to Vice-President of Student Affairs, James M. Rose, and all members of the executive committee. The resolution was voted on and passed.

Robert Burke made a motion: The student budget for St. Pete Campus be based on the % of total generated hours to university that St. Pete contributes for the previous academic year, which % will be reviewed and revised annually and that furthermore on the basis of this %, the student budget for the St. Pete Campus shall be .5% of total agency budget for the academic year 1972-73. Charles Payne seconded the motion and the motion was voted on and passed.

It was suggested that a representative of the comptroller's office meet with us to develop a formula that would be equitable to this campus.

Request for space: Burke moved that we accept Thoreson's office move; Kubler seconded and the motion was passed.

The meeting was adjourned at 12:10 P.M.
