STUDENT ASSOCIATION TREASURER RESIGNS

Mr. Ronald Egger, Student Association Treasurer, has resigned his position as of Monday, January 17th. When questioned Mr. Egger stated his reason for leaving the elected post was two fold. His primary concern was that he could not do an adequate job and maintain his studies properly, secondly he felt that his position was not allowed the freedom to function properly or in the best interests of the student body which elected him.

In response to Mr. Egger's resignation the Finance Committee which he chaired resigned as well.

Mr. Lou Kubler, Student Association President, and Mr. Tom Ford, Vice-President will assume the duties of Treasurer.

REGISTRATION CHANGES...

It has been announced by Eugene Roberts, Director of Admissions and Records, that while our present method of registration is adequate, it is outdated and plans to change over to computer registration will take effect on the St. Pete Campus during registration for Quarter IV, 1972. Mr. Roberts went on to say that his office will welcome any constructive suggestions for improving our present means of registration.

Further information from the Office of the Registrar shows that St. Pete Campus has had their largest enrollment ever this quarter. The total head count has been estimated at 1,500 students an increase of over 200 from Quarter I.
