Film Classics

THE LOVE AFFAIR, OR THE CASE OF THE MISSING SWITCHBOARD OPERATOR will be presented April 7 and 8 in Room 221-North as part of the Film Classics Series sponsored by the Student Activities Council. A Yugoslavian film, it is an ironic, unpredictable, modern look at a rather bizarre love affair of a Belgrade switchboard operator, done in the delightful, inventive style of director Dusan Makavejev. "It is astonishing to find a movie-maker who realizes that the heart rather than the pelvis is at the core of human affairs." --Judith Crist, VOGUE
