This Article is brought to you for free and open access by the Scholarly Works at Digital USFSP. It has been accepted for inclusion in Faculty Publications by an authorized administrator of Digital USFSP.

Beginning in 2009, James Anthony Schnur served as editor of “Florida History in Publications” for the Florida Historical Society’s journal, the *Florida Historical Quarterly*. Broader in scope than the section formerly known as “Florida History in Periodicals,” this annual bibliography enumerates notable books, book chapters, magazine articles, journal articles, government documents, and theses and dissertations. Some content in more recent editions includes born-digital sources. In 2013, Katie L. Kerns, a graduate of Florida Atlantic University (BA, History) and the University of South Florida (MA, Library and Information Science), joined Schnur as a co-editor.
