

29 October 2015

O Esteemed Ones:

We are DELIGHTED beyond words that you will participate in “USF St. Petersburg by the Decades” on **Wednesday, Nov. 4, 2015** from **noon – 1:00 p.m.** in the Poynter Library.

The format will be fun and relaxed. Jim will give a ten-minute overview (with images) of the campus history during the decade of 1975-1985.

Then, each of our amazing panelists will have 5 minutes or so to give personal reflections and perspective on those early years. Each of you provide a unique and valued vantage point!

The remaining 20 minutes or so will allow for additional chat among the panelists and those in the audience.

Of course, this is our “general” plan. The program is flexible and will likely spur animated conversation.

During the program, we will also screen images from that first decade in the background.

There are reserved parking spaces for you in **Lot 2** (see map). I will meet you at Lot 2 and we will provide staff to escort you to Poynter Corner in the Library, as needed.

It would be excellent if you could plan to be on site around **11:30 a.m.** This would give us time for everyone to meet, catch up, and get comfortable.

We hope that you and your guests may join us for **lunch** in the University Student Center after the program.

Sooooooooo looking forward to seeing you. THANKS MUCH!

All the best,

Sudsy and Jim
