EPC Meeting Minutes – March 17, 2003

Members Present: Marianne Czarnatowicz, Brenda Angell, Nancy St. Arnold, Gladys Dye, Dorothy Whitlock,

Alternates Present: Jennie Edwards

Walt Williams Human Resources, JWB

The Meeting was called to order at 11:02 a.m. The Committee reviewed the minutes of the February 17th meeting.

Safety Committee: Walt reported that the building committee was still looking into whether or not a sign could be posted on the fire wall doors instructing personnel to open carefully.

Wellness Committee: Still reviewing the "Lunch and Learn" presentations.

CQI Communications Sub Committee Report. Walt reported the committee was meeting that afternoon. Will give update next month.

Activities Report. The Activities Committee will schedule events such as ice cream socials, etc. at 3:30 p.m. whenever possible.

From the suggestions box: (1) the 3rd floor bathrooms need to have more attention given to cleanliness. (2) Request for support staff training. R.J. Doody is looking into this to have some courses lined up for the next Training Post. (3) Request to have a Friday afternoon mailing; e.g., to have mailing stamped with the postage meter. Walt will address this with management. (4) There was one item for the Honey From the Bee.

Personnel Concerns: Concerns were discussed related to the increasingly high cost of gasoline. Walt reported we go by the State rate and at this time, there is no change. Any amount that is not covered by the 29cent per mile reimbursement could be tax deductible.

The committee agreed to meet starting in April on the 4th Monday at 3:00 p.m.

Meeting adjourned at 11:30 a.m. Next month's regular EPC meeting will be **April 28th, JWB, 4th floor Executive Conference room.**
