11	% of youth who have aged out of care completing high school or GED by 20 years of age.	Our monthly reports for this measure are based on the FSFN education record. The date of high school graduation or GED completion must be documented and the date must be less than or equal to the youth's 20 th birthday. The numerator is the number of youth completing high school or GED by age 20. The denominator is the number of youth with an open young adult case.
12	% of youth who have completed high school or GED and are involved in post secondary education	Our monthly reports for this measure are based on the FSFN education record. The youth must be currently enrolled in a post-secondary program, having met the prerequisites. The numerator is the number of youth with a record of current post-secondary enrollment. The denominator is the number of youth with an open young adult case.
13	% of youth ages 18 and over receiving Independent Living services who have a job (including joining the military)	Young Adult employment is recorded in the FSFN employment record, under eligibility – assets/employment; however, the functionality is not working. For the purpose of collecting baseline data monthly, each case worker is expected to provide a manual count of the number of young adult clients that are employed. This information is backed up by documentation in FSFN. The numerator is the number of youth with a record of current employment. The denominator is the number of youth with an open young adult case.
14	% of young adults in safe housing	There is presently no supported method for recording or reporting on this measure. For the purpose of collecting baseline data, we are using the youth's response to question 44 of NYTD Plus Survey, "do you feel safe inside your home?"
15	% of 17-year-old youth in licensed out of home care who had a transition plan signed by the youth and filed with the court	Plans filed with the court are the numerator. Tracking of court filings on transition plans is not currently supported in FSFN. The denominator, the number of 17 year-olds in out-of-home care, should be based on the Pre-IL Life Skills Staffing report. An up-to-date version of that report is available daily from FSFN.
