Recommended Action:	Approve Daphne Street as a member of the Task Force
Issue:	Add a member to the Task Force
Program:	Task Force on Youth & Sexual Activity
Budget Impact:	None
Strategic Plan Goal:	Reducing Harmful Sexual Behavior by Youth.

Background: The Task Force on Youth & Sexual Activity is a 5year, \$1-million community awareness campaign to address sexual activity among youth in Pinellas County. A Task Force was approved by the Board and is now in its third year of working to address this issue.

The Task Force has nominated Daphne Street, Grants Specialist for Operation PAR, Inc., to join them as a member. Ms. Street is a media studies and communications scholar and freelance writer whose background in marketing and advertising will be useful to the Task Force's outreach efforts. In fact, Ms. Street has already volunteered her services to the Task Force mission by designing the post cards and letterhead, which the Board approved at the May 10, 2007 meeting.

Ms. Street has passed the required background check for membership.
